

ANUGRAH PRATAMA

GRAPHIC DESIGNER & DIGITAL CREATIVE

Bandung, West Java | grahvloid@gmail.com | +62 831-5556-9272 | linkedin.com/in/grahvloid | Instagram: @grahvloid

Communication Science graduate with hands-on experience in graphic design, video editing, short-form content, social media, and digital marketing. Currently contributing as a Graphic Designer Intern at Maju Group while producing short-form content remotely for DSI Agency, with selected videos reaching 100K+ organic views on TikTok. Experienced in campaign design, content strategy, UI Design, and multidisciplinary creative production, including a 25% increase in Instagram engagement during a digital marketing internship.

CORE EXPERTISE

Graphic Design | Video Editing | Social Media Management | Short-Form Content | Digital Marketing | UI Design

PROFESSIONAL EXPERIENCE

Graphic Designer Intern

Aug 2026 - Sep 2026

Maju Group

Internship | Bandung, Indonesia | Hybrid

- Produced 30+ social media designs, promotional visuals, product mockups, and campaign assets for digital brand communication.
- Created campaign content across TOFU, MOFU, and BOFU funnel stages to support awareness, consideration, and conversion objectives.
- Collaborated with the digital marketing team on content planning, revisions, and design execution while maintaining a consistent brand identity.

Video Editor (Short-Form Content / Clipper)

Mar 2026 - Present

DSI Agency

Freelance | Remote

- Edit and produce short-form vertical content for multiple TikTok media accounts covering news, public issues, politics, economics, and current affairs.
- Transform raw footage into concise, engaging videos using pacing, captions, supporting footage, thumbnails, and clear visual hierarchy.
- Manage multiple content outputs while maintaining each account's visual style and editorial direction; selected videos reached 100K+ organic views on TikTok.

Founder & Digital Services Specialist

Nov 2025 - Present

Dot Here Group

Self-Employed | Bandung, Indonesia

- Founded and manage a digital and IT services business, handling customer consultation, device and software troubleshooting, service coordination, and after-sales support.
- Manage branding, promotional content, social media, customer inquiries, digital products, vouchers, and day-to-day business operations.

Graphic Designer & Social Media Manager

Jun 2025 - Oct 2025

Tanos Indonesia

Freelance | Bandung, Indonesia | Hybrid

- Designed social media feeds, product visuals, promotional materials, and campaign assets for a custom apparel brand.
- Managed content planning, scheduling, publishing, captions, and daily social media activity while maintaining consistent brand communication.
- Used Meta Business Suite for content scheduling, performance monitoring, and basic Meta Ads setup.

Graphic Designer & Digital Marketing Intern

Feb 2025 - Jun 2025

PT. Rajakon Teknik

Internship | Bandung, Indonesia | On-site

- Designed social media content, brochures, promotional materials, and website banners for digital marketing campaigns.
- Collaborated on content planning, content calendars, and campaign execution, contributing to a 25% increase in Instagram engagement.
- Produced product visuals, promotional videos, and motion content using Adobe Premiere Pro, After Effects, Figma, Canva, and CapCut.
